Pedi-RD is an e-mail mailing list for health care professionals interested in neonatal, perinatal, and pediatric nutrition. Pedi-RD was established in July 1996 and as of November 1997 has nearly 450 members from the continental United States as well as international members. The purpose of this group is to allow members to share ideas and strategies for management of nutritional problems or concerns of infants and children. Individuals involved in NICU's, PICU's, and other pediatric inpatient and outpatient areas are encouraged to join
